

ACCEPTABLE USE OF MOBILE PHONES POLICY

Safeguarding Guidance & Template Document

The aim of the Mobile Phone Policy is to promote safe and appropriate practice through establishing clear acceptable use through guidelines.

Scope

This policy applies to all members of the Club and relates directly to the appropriate codes of conduct.

Responsibility

It is the responsibility of the athletes / coaches / volunteers to adhere to the guidelines outlined in this document. It is the parent's responsibility to allow their child to have a mobile phone and should be aware if their child takes a mobile phone to club sessions.

Policy Statement

It is recognised that smartphones contain a wide variety of functions which can be susceptible to misuse. Misuse includes taking and distribution of indecent images, exploitation and bullying. Misuse of smartphones can cause distress to individuals, impact on self-confidence and mental wellbeing, as well as impact on privacy and right to confidentiality.

Such concerns are not exclusive to children and young people. It is appreciated that it can be very difficult to detect when smartphones are being used, particularly in relation to additional functions. The use of all mobile phones is therefore limited, regardless of their capabilities. There are 'mobile phone free' areas within the Club setting. These are areas that are considered to be the most vulnerable and sensitive:

- Changing Rooms
- Toilets
- Showers

There is a zero-tolerance policy in place with regards to use of mobile phones by any individual in these areas.

Inappropriate Use

The following are examples of inappropriate use; this is not an exhaustive list.

Members using their mobile phone to:

- using vulgar, derogatory or obscene language while using a mobile phone
- engage in personal attacks
- harass other people
- posting/sharing private information about others using SMS messages/social media
- taking/sending photos or objectionable images,
- phone calls that include elements of the above
